## Education

---

**Ajay Kumar Garg Engineering College, Ghaziabad** 2023 – 2027  
B.Tech in Computer Science (Data Science) – **CGPA: 8.55** Ghaziabad, Uttar Pradesh

**Hem Vidya Niketan, Khair (Aligarh)** 2021 – 2022  
Class XII (CBSE) – **89.6%** Uttar Pradesh

## Projects

---

**Weather Pulse - Live Weather Platform** ★ — [HTML](#), [CSS](#), [JavaScript](#) May 2025 – July 2025

- Developed a real-time weather monitoring web application using REST APIs, enabling live environmental data tracking. using REST APIs.
- Integrated OpenWeatherMap API to fetch and display dynamic data such as temperature, humidity, wind speed, and AQI.

**Pashudhan - Breed Finder** ★ — [HTML](#), [CSS](#), [JavaScript](#) / [React](#) May 2025 – July 2025

- Developed a cattle breed identification platform for cows and buffaloes, enabling users to easily explore and identify different breeds.
- Implemented search and filtering functionality to provide accurate breed information based on user input.
- Designed a responsive and user-friendly interface for quick and efficient breed lookup.

**URBANNEST - Real Estate** ★ — [HTML](#), [CSS](#), [JavaScript](#) , [ReactJS](#) July 2025 – Aug 2025

- Developed a real estate web platform for browsing, buying, and renting properties.
- Designed a responsive UI for seamless user experience across devices.

**Guess the Number Game** ★ — [HTML](#), [CSS](#), [JavaScript](#) July 2025 – Aug 2025

- Designed an interactive number guessing game using core JavaScript logic.
- Implemented random number generation, input validation, and attempt tracking.
- Provided real-time feedback to users based on their guesses.

## Skills

---

**Languages:** C++, C, JavaScript

**Libraries:** C++ STL

**Relevant Coursework:** Data Structures and Algorithms, Object-Oriented Programming, Database Management System, Operating System

**Technologies/Frameworks :** HTML5, CSS3, ReactJS, JavaScript, Tailwind CSS

**Relevant Coursework:** Data Structures and Algorithms, Object-Oriented Programming, Database Management System, Operating System

**Database:** MySQL

**Developer Tools:** VS Code

**Version Control:** Git, GitHub

## Achievements

---

- Completed Data Structures and Algorithms (DSA) certification from ApnaCollege, with hands-on problem-solving practice.
- Solved various coding problems on LeetCode, strengthening problem-solving and DSA skills. [\[Profile\]](#)
- Shortlisted five times for the SSB Interview (Conference Level), reflecting consistency, resilience, and leadership potential.
- Recognized as an Academic Scholar during school years for exceptional academic performance.
- Played for the school football team in inter-school and regional tournaments, demonstrating teamwork and sportsmanship.
